

Agri next Global Ventures

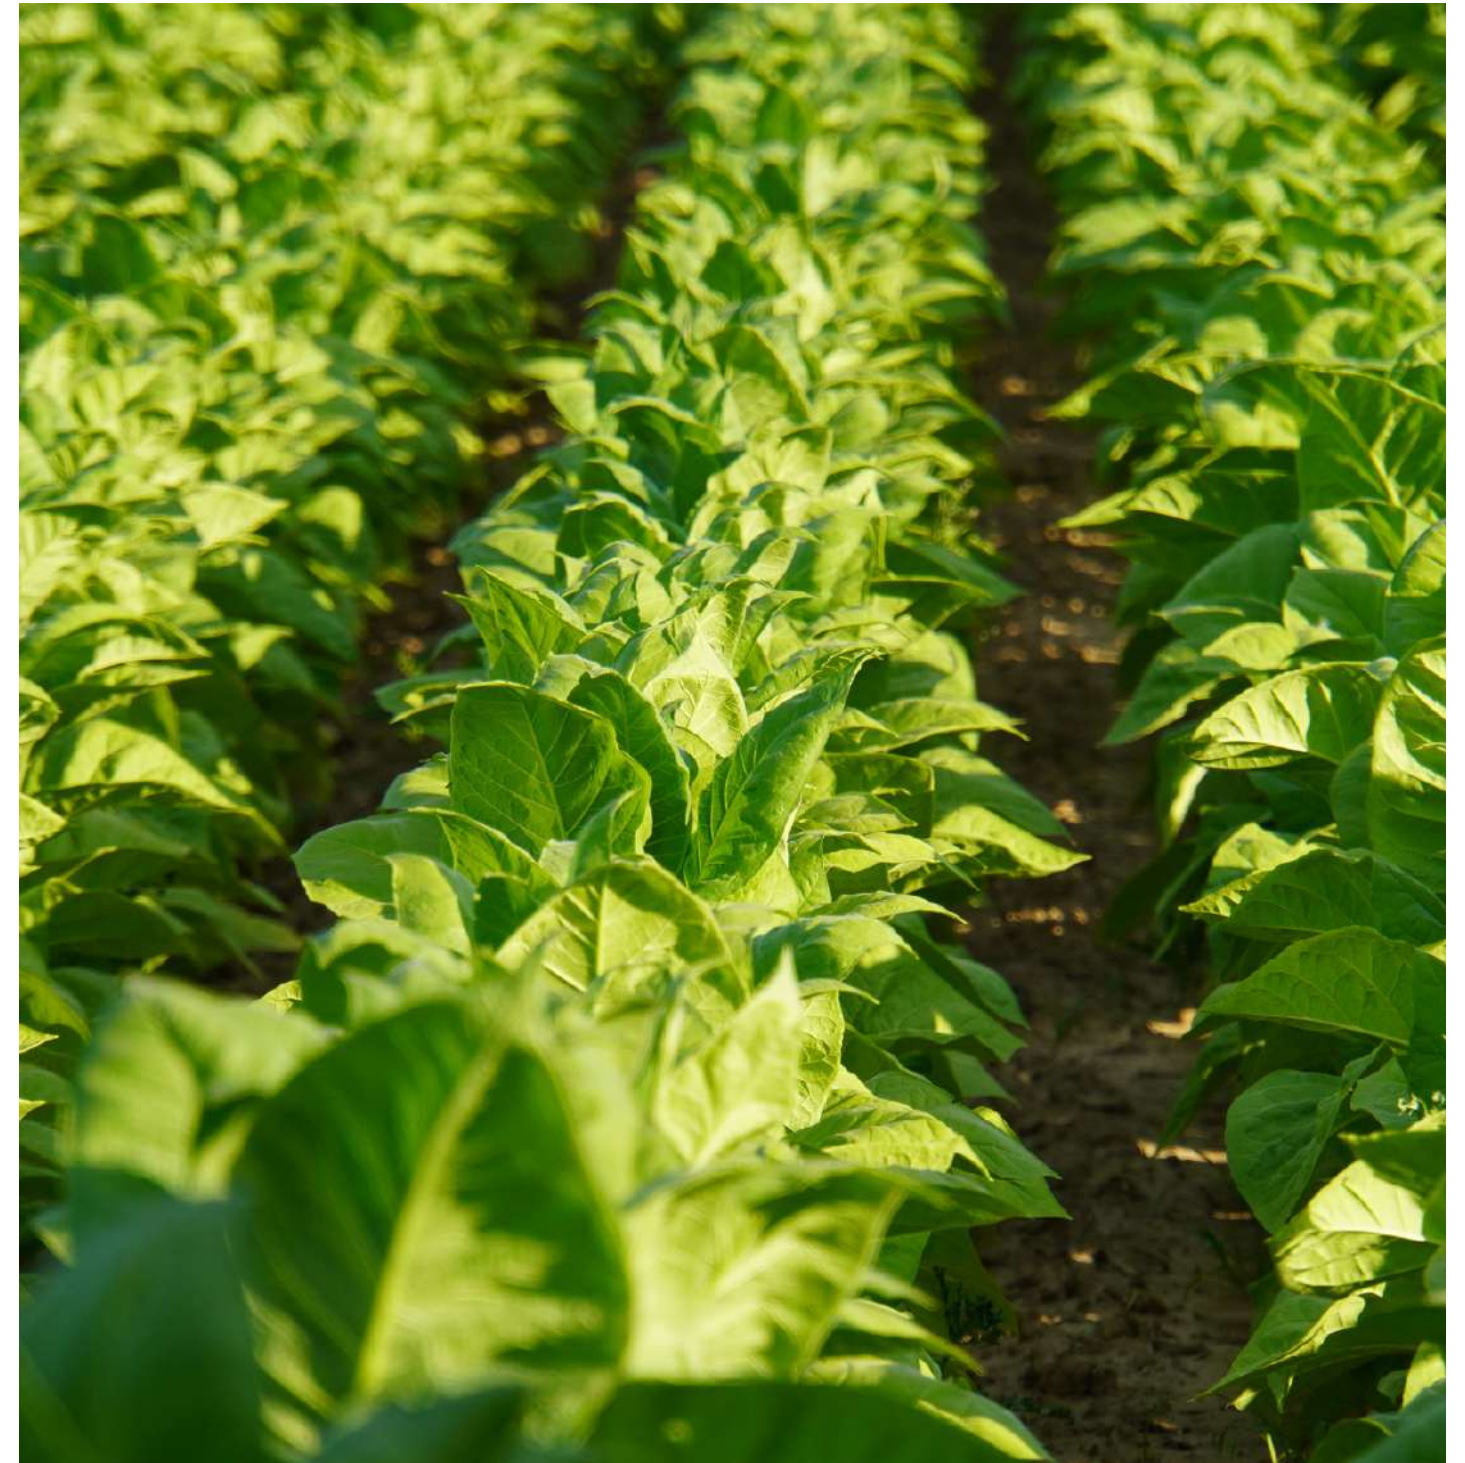

PURE ROOTS, GLOBAL REACH

about our Farming[🌱]

AgriNext Global Ventures is a premier exporter of high-quality tobacco leaves, backed by decades of expert tobacco farming. We partner with over 3,000 contract farmers, ensuring consistent supply through controlled cultivation.

At AgriNext, we are dedicated to bridging the gap between pure, ethically farm produce and quality-conscious buyers around the world. Our commitment to delivering value, purity, and reliability sets us apart.

our service

High-Quality Tobacco Leaf Export

Custom Grading & Processing

Private Label & OEM Support

Global Supply Chain Solutions

Product Diversification & Innovation

Regulatory Compliance & Documentation

our[🌱] vision

To be a globally recognized and reliable partner in the export of high-quality tobacco leaves and products, delivering consistent value through operational excellence, product integrity, and customer centric solutions.

We strive to set benchmarks in the tobacco export industry by leveraging advanced supply chain systems, strategic global partnerships, and sustainable sourcing practices rooted in Gujarat's agricultural strengths.

Our commitment is to drive growth for our clients through innovation, compliance, and unwavering professionalism.

our[🌱] portfolio

Sun-Dried Tobacco Leaves

- Grade: HS Code 2401.20 (Bulk tobacco for chewing, hookah, other uses)
- Meticulously sun-dried, dust-cleaned, and graded to eliminate impurities like sand and stones.
- Ideal for tobacco packaging, chewing blends, herbal smoking mixes, hookah leaves, and more.

Nicotine Extracts (in development)

- High-concentration nicotine under GMP standards tailored for nicotine pouch producers, flavors, and analytical buyers.
